Flowering Kale

Please Place Your Order NOW !!

Have your Student bring completed forms and payment to the HPPM Information Desk before Wednesday October 14th.

- All proceeds directly benefit and support the Children and Children's activities at HPPM.
- *You're going to buy flowering plants anyway*, so please support the Kids and buy from HPPM DADS Club.
- Our fresh plants are shipped direct from the same grower in Farmersville (East of McKinney) that supplies many local premium nurseries. So we guarantee they are among the healthiest and heartiest available.
- They COST LESS than those at most Big Box stores and nurseries.

Pick up orders in the parking lot behind HPPM on Saturday October 17. 10am – 2pm
